VILLAGE OF HILL SPRING

Newsletter

VILLAGE NEWS

The Village appreciates our local volunteers who so willingly are out soon after a snowfall to clear the village roadways. We remind you that the clearing of private driveways is your responsibility. It will not be done by the Village.

We would like to remind you that ALL dogs within the Village must be licensed yearly and must wear their dog tag. (Bylaw 2012-309 Section 11) If you have not taken care of that please stop by the office in the near future. . Any dog under the age of 6 months this does not apply to. According to the bylaw this charge can be added to your taxes at a higher rate.

If you use the Community Hall please make sure all doors are securely shut and locked when you leave.

This is a reminder for all tax payers that are in arrears in excess of one year that your taxes will be registered with the province (provincially mandated) and that your property may go to tax auction if not paid in full.

Volunteer firefighters welcome to join Midrivers Fire Dept.

SKATING RINK

Volunteers have been working hard to get the skating rink ready and maintain a good condition for skating. It takes a lot of work and we appreciate the time and efforts put in to it. With the colder weather at our doorstep there should be some decent ice. Hope you will take advantage of this facility.

Skating is a healthy activity for all ages and abilities.

Health benefits of skating include:

- | | |
|--------------------|----------------------------|
| Better Balance | Improved Joint flexibility |
| Builds leg muscles | Cardio workout |
| Builds endurance | Releases stress |
| Improves joints | Mental fitness |

“There is something about putting on a pair of skates, and getting out there and moving like nobody else can. Freedom is word that comes to mind.” Randy Gardner
