VILLAGE OF HILL SPRING

Newsletter

VILLAGE NEWS

Utility bills are due on or before February 2, 2022. If you have utilities owing beyond 4 months you will risk the chance of having your water shut off. In addition to your water being shut off there will be a \$100.00 turn off fee and an additional \$100.00 fee to have it turned back on.

We would like to remind you that ALL dogs (indoor or outdoor) within the Village must be licensed yearly and must wear their dog tag. (Bylaw 2012-309 Section 11) If you have not taken care of that please stop by the office in the near future. Any dog under the age of 6 months this does not apply to. According to the bylaw this charge can be added to your taxes so if you have a dog but do not register her/him it will be added to your taxes.

This is a reminder for all tax payers that are in arrears in excess of one year that your taxes will be registered with the province (provincially mandated) and that your property may go to tax auction if not paid in full. Please avoid that and come to the office to make your payment. For those that keep their taxes paid thank you.

The Village is looking for volunteers to plow streets when needed. You must have an airbrake ticket and a clean driving record. For more detail contact Janet at the office—403-626-3876 or Mayor Dwight Davis.

If you are interested in learning the day to day routine of the village office and would like to work casual please contact Janet and/or submit a resume at the Village Office.— 403-626-3876

The Village council and administration wishes everyone a Happy New Year filled with happy and positive surprises.

GLENWOOD LIBRARY NEWS

A BIG CONGRATULATIONS to all the coloring contest winners!

January's Kid's Craft kits will be snowman binoculars!

DIGITAL MEDIA CLASS

Monday, February 14, 2022 1:00 p.m.– 2:00 p.m.

Ready to tweet about that fun show you streamed last night?

How about comment on that news report while searching for a new job and visiting the Palace of Versailles? The internet gives us access to a huge array of digital media, but it can be hard to keep them all straight and determine what is right for you. Join this free class to learn more about digital media! 403-942-8033 or help@glenwoodlibrary.ca

The next council meeting will be Tuesday, January 18, 2022 @ 7:00 p.m.

OLDMAN HEALTH ADVISORY

“I am one of 14 members of the Oldman River Health Advisory Council. The ORHAC is one of the 12 advisory councils province wide. These councils provide Alberta Health Services with feedback as to how AHS is doing in delivering health care to Albertans. As a recently appointed advisory council member my duties include facilitating open communication between our communities' members and the ORHAC as to what their health or health care delivery concerns are.”

Yours Sincerely

David Anderson

SKATING RINK

Volunteers have been working hard to get the skating rink ready and maintain a good condition for skating. It takes a lot of work and we appreciate the time and efforts put in to it. With the colder weather we've had there is a good ice base. Hope you will take advantage of this facility.

Skating is a great sport for: Weight management, Cardio workout, Builds endurance, Stress management, Improves joints, Mental fitness, Family time etc.
