The Intermunicipal Bylaw 2022-322 was given third and final reading and passed at the June 21 regular council meeting. This Intermunicipal plan is a plan between Cardston County and the Village of Hill Spring.

The Village council made a resolution to use Oldman River Planning Commission (ORRSC) to prepare an updated Land Use Bylaw. The goal is to have the bylaw completed by or before year end.

The following building permits were issued in June:

2022.R1.04.DP—Lot 2 Block 21 Plan 0614153 - development of a shed;

2022.C2.06 DP Lot 4 Block 7 Plan 370BD - waiver on an existing building;

2022.C2.04 DP Lot 1 Block 7 Plan 370 BD—permit to build a home.

Please note that if you are doing any development whether it be building or changing the use of the property you need to apply for a development permit. Any accessory building bigger than 100 sq. ft. requires a permit.

Village Manager, Janet Edwards, will be out of office the remainder of July. Patti Faulkner will be working in the office.

A big thank you to the Hill Spring Rec Board, Ag Society and all other volunteers that helped in any way with the Canada Day celebrations.
