

## Motion # 2012-04-032

---

*Policy Name:* Municipal Recognition Policy

*Policy Purpose:*

The purpose of this policy is to outline the Village of Hill Spring's position of making Council declarations of support for specific organizations or groups.

*Policy Statement:*

As an elected body made up from residents of the Village of Hill Spring, Village Council has determined to not specifically recognize any organization or group for any reason by a motion of Council or through a financial contribution.

The funds the Village raises through taxation represent a diverse group of people and opinions and Council does not wish to support with public funds any organization whose views or values may conflict with those of a tax paying resident.

This does not include organizations that provide a service to residents within the community by way of a requisition or fundraising request, such as the Hill Spring Elementary School.
